

Get Involved in the SRVHS Community Next Year

The SRVHS PTSA has been supporting our school for over 60 years by providing volunteer support, parent education, and funding for important programs and events that benefit our entire learning community. We are only able to accomplish this with the help and guidance of parent volunteers.

In the upcoming year in particular we have many open positions, including President, Executive Vice President, and Recording Secretary as well as many committee chair positions. Certain positions require more time than others, but there truly is something for everyone's schedule. Volunteering in the PTSA is a great way to be "in the know" about what's going on at SRVHS, to hear from our administration and teachers each month and provides a valuable service to our student community. Get involved and make a difference!

If you are interested in joining PTSA, please contact Stacey Vorous at svorous@comcast.net or Chantal Colman at chantal@colman.ca or stop by the PTSA table at Building Bridges to get more information about open positions. PTSA needs you!
