

Mr. Greer joined Tonto Basin Elementary School District in June of 2015. Mr. Greer is a lifelong learner who comes to the District with much experience. Mr. Greer is from Tulsa, Oklahoma where upon graduating from high school, immediately went into the United States Marine Corps. Being honorably discharged from the Marines, he finished his college degree at Metropolitan State University in St. Paul, Minnesota in Psychology with an emphasis in Finance. Eventually, he moved back to Oklahoma and worked in the banking and real estate industries for five years before going into Education. Mr. Greer went back to school and received a teaching certification from Northeastern State University in Tahlequah, Oklahoma.

Mr. Greer then began teaching at Tulsa Public Schools in everything from a ninth grade Social Studies Teacher, PE Teacher at an elementary school, and a Special Education Teacher in a classroom specifically for students with Emotional Disabilities. Finally, he had the opportunity to move out to Arizona for friends and family.

Mr. Greer's career in Administration started as a Turn-around Principal at Sanders Unified School District in Sanders, AZ where he was the Elementary Turn-around Principal. Additionally, he was also in charge of the School Improvement Grant. His team made a 14% improvement in Math and Reading scores on the AIMS test in one year. The two year experience from Sanders Unified School District led him to the opportunity to continue being a Turn-around Principal at Seven Mile Elementary School within the Whiteriver Unified School District in Whiteriver, AZ. Again, with the support of the team at Seven Mile, the school went from an F to a C in one year. It is important to note, that Seven Mile Elementary School had been in School Improvement since No Child Left Behind was established. Ultimately, Mr. Greer has earned two Masters Degrees; one in Special Education and the other in Education Administration from Grand Canyon University. Mr. Greer completed the Superintendent Certification Program at Northern Arizona University and is currently finishing his Doctorate in Educational Leadership. He enjoys watching football, basketball and baseball. He plays golf when he can and pushes himself to walk twice a week. His favorite time is when he can get together with family and friends.
