

The Mission of the Troy Foundation for Educational Excellence is to strengthen the educational experience of Troy School District students by funding innovative learning opportunities, entirely through private support.

TFEE awards grants to fund innovative classroom programs to **ENGAGE** students, **ENHANCE** curriculum and **ENRICH** classroom environments. The Foundation reaches out to the community for support through direct donations and fundraisers. The **TFEE Donation Campaign** is supplemented by our annual **TFEE Golf Outing (June 21, 2019)** at Sanctuary Lake Golf Course, and our annual **TFEE Holiday Book Fair (December 5, 2018)**. Through community support, our 2017-18 contributions to the TSD exceeded \$75,000!

2017-2018 Grant Awards included:

★ **Success through Smart Music**

Web-based, award-winning software used by music teachers around the world to enhance programs and improve students' musical skills, as well as individual and ensemble performances.

★ **Virtual Reality Viewers**

View-Master Virtual Reality Viewers allow students to visit Yellowstone National Park, Mount Everest, and the Great Wall of China within their classroom. Downloading the Google Expeditions app allows students to experience guided expedition trips of their choice.

★ **21st Century Computer Classroom**

Altering classroom appearance such as painting walls, adding more natural light and offering flexible seating options creates a more comfortable learning space and accommodates the needs of autistic and ADHD students. Adding student-created artwork fosters a feeling of ownership.

★ **Astronomy Next Generation Science Exemplar PD System "Innovator of the Year"**

The Stellar Light & Temperature Kit, Earth-Sun Motion Lab Activity, Doppler Effect Demo and Sun Tracking Hemispheres assist students in identifying patterns, constructing explanations, designing solutions and obtaining evidence. Student learning is supported through enriching activities and engaging learning opportunities.

★ **The Keys to Active Learning**

Using the Breakout EDU game, students use teamwork, creativity, communication, collaboration and critical thinking to solve a series of challenging clues correlating to current curriculum, located in lock boxes.

Please join us in supporting our Troy School District students by helping to fund teacher grants. Visit troyfoundation.org and click **DONATE** or complete the bottom of this form and mail with your donation (*check payable to TFE*) to: **Troy Foundation for Educational Excellence, 4400 Livernois, Troy, MI 48098.**

Unless requested, all donors will be recognized as a "Friend of the Foundation" on our website. Thank you for your support!

YES, I want to support our students! Enclosed is my check (payable to TFE) for

\$25 \$50 \$100 \$250 Other \$_____

YES, I would like to volunteer to help with annual fundraising events. Please contact me.
