

## **ADMINISTRATIVE REGULATIONS**

### **AWARDING OF SCHOLARSHIPS**

#### **PURPOSE:**

This Administrative Regulation is established for the purpose of setting forth guidelines and administrative determinations regarding school participation and involvement in the identification and selection of students who may qualify for meeting the desired expectations of scholarships to be awarded.

#### **REGULATION STIPULATIONS:**

A scholarship committee will be established and will make recommendations to the sponsor for award recipients from the applicants for the various awards. The scholarship committee shall be composed of the High School Principal, the Head of the Guidance Department, the Director of Athletics when appropriate, and three teachers chosen by Principal from the department appropriate to the particular scholarship.

The sponsoring individual or group may call for additional recommendations or may make no awards for a given school year.

No scholarship will be presented at graduation exercises that has not been sanctioned by the procedures herein set forth.
