

# FISHER MIDDLE SCHOOL

## MATH INFORMATION NIGHT

(For interested returning Fisher Parents)

Thursday, April 26, 2018

7:00 p.m. – 8:00 p.m.

Fisher Multipurpose Room

The purpose of this evening is to assist parents of current 6th and 7th grade students in learning more about our current math pathways, course curriculum content, assessment tools, and placement processes, such that every student is provided with a rewarding middle school mathematics experience in the coming year.
