California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Dea Tramble, Principal

Principal, Alliance Ouchi-O'Donovan 6-12 Complex

About Our School

I would like to personally welcome you to the 2013-2014 school year for Alliance William and Carol Ouchi High School. It gives me great pride and pleasure to serve as the principal of such a wonderful school. We have a very supportive school community, an outstanding staff, and great students.

Ouchi High School supports the Alliance 5 Core Values. We are a small learning community committed to making every student "College-Ready." Our goals are that all of our students will be admitted to college, be successful in college, and complete college. Our teachers continuously work to provide students with rich and meaningful learning experiences in order to reach these goals.

In order to achieve success, it necessary that parents remain active in their child's academic career. We offer parent academies where parents have an opportunity to learn the many facets of how to support a High School "College Ready student."

I am very privileged to be a new member of the Ouchi family. I am confident that we will rise to new levels of excellence given hard work of our Administrators, staff, and dedicated parents. I invite you to join me as a partner in achieving academic success. I look forward to meeting new people, forming partnerships, and making Ouchi High School a safe and positive environment.

Dea Tramble
Principal

School Description and Mission Statement - Most Recent Year

We are part of the Alliance College-Ready Public Schools charter organization. Alliance College-Ready Public Schools is the largest nonprofit charter organization in Los Angeles, comprised of 28 free, public charter high schools and middle schools serving nearly 11,500 low-income students. Alliance employs the highest achievement standards and latest innovations in technology to prepare our students for success in college and future careers. Since our founding in 2004, more than 95% of Alliance graduates have gone on to college.

The mission of Alliance College-Ready Public Schools, a nonprofit charter management organization, is to open and operate a network of small high-performing 9-12 and 6-8 public schools in historically underachieving, low income, communities in California that will annually demonstrate student academic achievement growth and graduate students ready for success in college.

Alliance schools significantly outperform traditional public schools in preparing students to enter and succeed in college. Our schools use an educational model based on high expectations of students, small and personalized campuses, a longer school year and a longer instructional day, a team of highly effective teachers and principals, and parents as partners in their child's educational success.

The vision for Alliance schools is that they will consistently demonstrate student readiness for success in college by achieving an annual academic growth rate of 1 to 1.5 years in student results on state academic standards; by increasing student performance on college-readiness indicators including SAT, ACT, and EAP exams; by achieving a 100% success rate on passing high school exit exams; by dramatically reducing dropout rates to 0%, by ensuring that less than 15% of students need remedial English or Math in college.

The Alliance will expand the choice of excellent schools with a high success rate for parents in Los Angeles to surrounding communities in California whose children attend low-performing schools.

A. Conditions of Learning

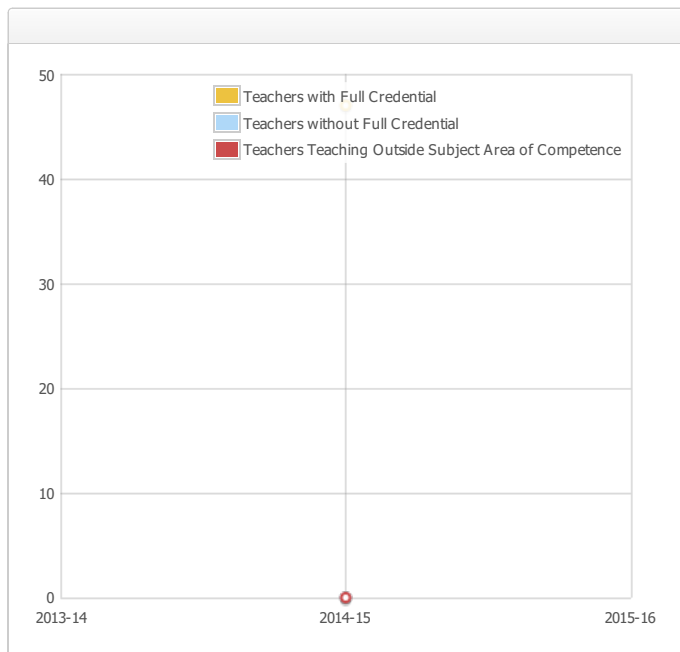

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School		District	
	2013-14	2014-15	2015-16	2015-16
With Full Credential		47		
Without Full Credential		0		
Teachers Teaching Outside Subject Area of Competence (with full credential)		0		

Last updated: 3/3/2016

Teacher Misassignments and Vacant Teacher Positions

Indicator	2013-14	2014-15	2015-16
Misassignments of Teachers of English Learners		0	
Total Teacher Misassignments*		0	
Vacant Teacher Positions		11	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	42.0%	33.0%	44.0%
Mathematics (grades 3-8 and 11)	25.0%	25.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

Foster Youth	--	--	--	--	--	--	--

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

* Level 1 = Standard not met
 Level 2 = Standard nearly met
 Level 3 = Standard met
 Level 4 = Standard exceeded

Career Technical Education Programs (School Year 2014-15)

We at Alliance College-Ready William and Carol Ouchi HS believe that our curriculum must be teamed with other components to prepare students for post-secondary education both in and out of the classroom.
 Although we do not currently offer any Career Technical Education Programs, students may take them at nearby colleges.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement - Most Recent Year

We realize that student success is not only measured through academic achievement, but in ensuring that our students are adequately prepared for the future. Parental support and involvement are key components in students' academic success that are essential for parents to be fully knowledgeable about preparing their children for college. Parents are partners and are needed to take active and meaningful roles to insure the success of our school. Research shows that parent involvement in children's learning positively impacts student achievement levels. We believe that their participation at our school will really make a difference and will positively impact their child's academic progress.

We encourage all parents, legal guardians, and adult family members to become actively involved by serving as a parent volunteer. Their time, talent and enthusiasm are an integral part of the day-to-day functioning of the school and the overall academic development of their child.

There are a number of ways parents and guardians can volunteer and demonstrate commitment at our school. Each family is expected to volunteer 40 hours per school year. Parent volunteer service hours can be earned by directly supporting the school and by supporting students academically. School support activities include office support, nutrition and lunch distribution, campus and field trip supervision, and taking on leadership activities on school committees. Academic support activities include Saturday parent workshop participation, classroom support, and tutoring support.

State Priority: Pupil Engagement

Last updated: 3/3/2016

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14

School Safety Plan - Most Recent Year

The Comprehensive School Safety Plan covers Alliance’s policies and expectations regarding the practices of each school in maintaining the security of the physical campus, responding appropriately to emergencies, increasing the safety and protection of students and staff, and creating a safe and orderly environment that is conducive to learning.

All school employees should receive training in the Comprehensive School Safety Plan upon joining the school, and should review any changes to the Plan annually.
