

# COLUMBIA BASIN STUDENT HOMEBUILDING PROGRAM

## *Scholarship Application*

The Columbia Basin Student Homebuilding Program is intending to offer one or more \$3,000\* scholarships to help support graduating seniors who actively participated in the CBSHBP during their high school career. Scholarship resources are intended to support qualifying students who wish to pursue advanced education in a field related to the building industry. The scholarship recipients will be selected on the basis of his/her desire and intent to pursue training and education, performance in the program during their high school tenure, and who best articulate their need through the application process.

Applicants must currently be an enrolled senior in Hermiston, Stanfield, and Umatilla High Schools, a student in good standing, were an active participant in the CBSHBP, and demonstrate a sincere interest in and intent to pursue a career in the building trades. These trades might include, but are not limited to; Welding, Sheet Metal/HVAC, Heavy Equipment Operating, Carpentry, Electrical, Plumbing, Construction Managing, Architecture, Engineering (Civil, Landscape, Mechanical, Electrical, etc).

Complete this application form, attach two (2) letters of recommendation, a copy of your transcripts, and an essay, (not more than 750 words), describing how your educational plans/goals and experiences in the CBSHBP helped shape and support your career aspirations.
