Clark Powers our district wide Student Recognition Event took place. This is where we recognize students for their positive citizenship. We celebrated some astounding Penryn Students that evening, they are:</p> <p>K: Kali Norris 1st: Jase Gervacio 2nd: Calliane Pierce 3rd: Josh Cherry 4th: Olivia Butler 5th: Jordan Wyatt 6th: Rowan Greenhalgh 7th: Brandon O'Connell 8th: Jordyn Naylor</p> <p>Congratulations to them, this is well deserved.</p> <p>Butler Loop Pick Up As a reminder, please do not park in the Upper Lot Staff Parking to pick up students after school. This creates a safety hazard. Please be patient we send students down the line to load quickly and get everyone on their way. Once your child is loaded you can exit the line, loop around and exit school. I have been watching and by 2:30 we are pretty cleared out so we do a good job of moving quickly, it's just that first 5 minutes or so of being patient. Thanks for your cooperation with this.</p> <p>Daylight Savings Our favorite time of year, daylight savings is this weekend. DO NOT forget to spring your clocks forward an hour on Saturday night so they are ready on Sunday. You don't want to be late for school on Monday. :)</p> <p>No School and Minimum Days Tomorrow there will be no school, along with minimum days next Wednesday, March 13th and Thursday, March 14.</p> <p>These days are designated work days for staff. This is time we spend reflecting on our instruction, looking over student data and developing new instructional units. These days help us to be better instructors for your students. We value the time given and appreciate being able to take some time to make adjustments to our instructional program to fit the needs of all our students.</p>
