Parent Resources

Parent Institute

Here you can access tips for how to help your child at home. From the TISD website, select **Student & Families** tab, then **Daily Tips**.

Career Cruising

This website will help your child to find the career path best suited for him or her and the classes that will provide the best preparation. Select **Career Cruising** from the **Student Online Resources**.

Family Access

You can access the grades of your child(ren), see absences and view the class calendars, plus you can customize your Skylert information, or how you receive messages.

Library Resources

Destiny

Destiny is the library software school librarians use for their collections. Students can use Destiny to search for materials to check out of the library.

E-Book Checkout

Your child can check out e-books from the District E-bookshelf. Contact the librarian for more information.

More information on how to access Online Student Resources is available on the TISD website at www.tisd.org under the Students & Families tab.

Select "Student Online Resources" or go to the campus web site, selecting resources for students.
