Section 7. Mandatory Statement of Information.

(a) As required by and in accordance with Section 3.009(b)(5) through (9) of the Code, added by the 83rd Texas Legislature, the bonds that are the subject of the Election may be issued to mature over a specified number of years not to exceed 40 years; the School District, as of its fiscal year beginning September 1, 2017, had outstanding an aggregate principal amount of debt equal to \$18,350,000.00; the aggregate amount of the interest owed on such District debt obligations, through respective maturity, totaled \$2,077,087.50; and the School District levied an ad valorem debt service tax rate for its outstanding debt obligations of \$0.28 per \$100 of taxable assessed valuation. The School District estimates an ad valorem debt service tax rate of \$0.28 per \$100 of taxable assessed valuation if the bonds that are subject of the Election are approved and are issued (taking into account the outstanding District bonds and bonds that are the subject of this Election, but not future bond authorizations of the School District). This is only an estimate provided for Texas statutory compliance and does not serve as a limitation on any District ad valorem debt service tax rate.

If approved by voters, the bonds will be secured by an ad valorem tax that is sufficient, without limit as to rate or amount, to pay the principal of and interest on the bonds and the costs of any credit agreements. Actual tax rates, interest rates, maturity dates, aggregate outstanding indebtedness and interest on such debt, will only be established and known at the time that bonds are issued. In addition, actual tax rates will depend upon, among other factors, the assessed valuation of taxable property, prevailing interest rates, the market for the School District's bonds and general market conditions at the time that bonds are issued.

The estimated tax rates and other statements contained in this subsection (b) are (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the School District's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 3.009, the Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to give rise to a contract with voters or limit the authority of the Board to issue bonds in accordance with the Proposition submitted by this Election Order.

Section 8. Persons Qualified to Vote. All resident, qualified electors of the School District shall be eligible to vote at the Election.

Section 9. Joint Election. The School District has agreed to participate in a joint election with the City who is also holding elections on Election Day and has contracted with the City for election services.

Section 10. Officers. The Board authorizes the President, Board of Trustees, the Superintendent of Schools, or the respective designee of either of such parties, to negotiate and enter into one or more joint election agreements and/or similar contracts or agreements if desired or if required to comply with applicable law, as permitted and in accordance with the provisions of the Code, as amended. In addition, the Board authorizes the President of the Board of Trustees, the Superintendent of Schools, or the respective designee of either of such parties to make such technical modifications to this Order that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Board, as evidenced herein.

Section 11. Conduct of Election. The Election shall be held in accordance with the Code, except as modified by the Texas Education Code, and the Federal Voting Rights Act of 1965, as amended, including particularly Chapter 272 of the Code pertaining to bilingual requirements.

Section 12. Notice of Election. Notice of the Election shall be given by: (i) publishing a substantial copy of this Election Order, in both English and Spanish in the School District, one time not earlier than the thirtieth (30th) day nor later than the tenth (10th) day prior to the date set for the Election, in a newspaper published in the School District, and (ii) by posting a copy of this Election Order on a bulletin board used for posting notices of Board meetings, not later than the twenty-first (21st) day prior to the date set for the Election. Notice of the Election shall also be provided to the County Clerks of Winkler and Loving Counties, Texas, no later than the 60th day before the Election Day.

Section 13. Notice of Meeting. The Board officially finds, determines, recites and declares that written notice of the date, hour, place and subject of the meeting at which this Election Order is adopted was posted on a bulletin board located at a place convenient to the public at the School District's administrative offices for at least seventy-two (72) hours preceding the scheduled time of the meeting; that a telephonic or telegraphic notice of such meeting was given to all news media who have consented to pay any and all expenses incurred by the School District in connection with providing such notice, both as required by the Open

Meetings Law, Chapter 551, Texas Government Code, as amended; and that such meeting was open to the public as required by law at all times during which this Election Order and the subject matter thereof was discussed, considered and formally acted upon.

Section 14. Authority of Superintendent. The Superintendent of the School District shall have the authority to take, or cause to be taken, all actions reasonable and necessary to insure that the Election is fairly held and returns properly counted and tabulated for canvass by the Board, which actions are hereby ratified and confirmed.

Section 15. Authorization to Execute. The President or Vice President of the Board are each authorized individually to execute and the Secretary of the Board is authorized to attest this Election Order on behalf of the Board; and the President and Vice President of the Board are each authorized individually to do all other things legal and necessary in connection with the holding and consummation of the Election.

Section 16. Severability. If any provision, section, subsection, sentence, clause or phrase of this Election Order, or the application of the same to any person or set of circumstances is for any reason held to be unconstitutional, void, invalid, or unenforceable, neither the remaining portions of this Election Order nor their application to other persons or sets of circumstances shall be affected thereby, it being the intent of the School District in adopting this Election Order that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, invalidity or unenforceability of any other portion hereof, and all provisions of this Election Order are declared to be severable for that purpose.

Section 17. Effective Date. This Election Order is effective immediately upon its passage and approval.
