

Student email on Gmail

Setting up your school Gmail account is quick and easy. This will become the new way to communicate with your teachers and use the Google Classroom more effectively. To get started go to www.gmail.com

One account. All of Google.

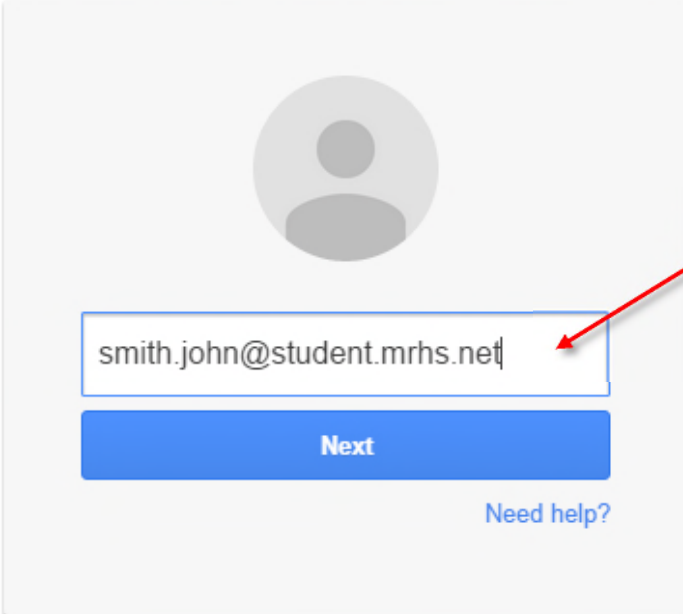

Sign in to continue to Gmail

[Need help?](#)

Enter your email address, follow these rules: LastName.FirstName@student.mrhs.net. For this example, we are using John Smith.

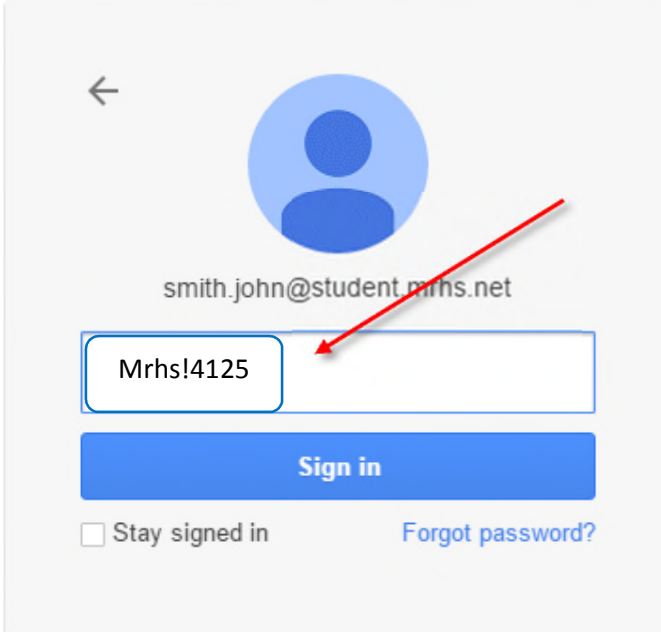

Sign in to continue to Gmail

The image shows a Gmail sign-in screen. At the top, it says "Sign in to continue to Gmail". Below this is a grey circular placeholder for a profile picture. Underneath the picture is a text input field containing the email address "smith.john@student.mrhs.net". A red arrow points to the end of the text in the input field. Below the input field is a blue button labeled "Next". At the bottom right, there is a link that says "Need help?".

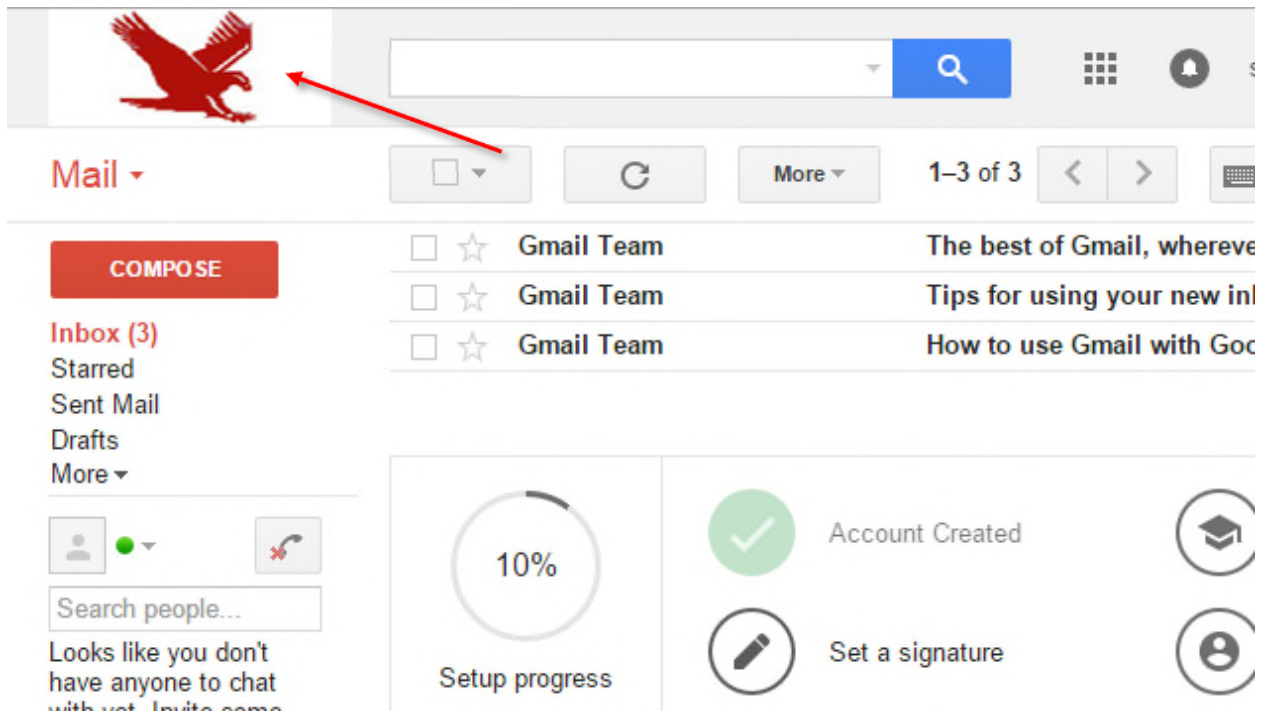

The password is case sensitive and the format is Mrhs! + **Student ID number**. Since John Smith's ID number is 4125, his password is **Mrhs!4125**

Sign in to continue to Gmail

The image shows the next step of the Gmail sign-in process. At the top, it says "Sign in to continue to Gmail". Below this is a back arrow icon and a blue circular profile picture placeholder. Underneath the picture is the email address "smith.john@student.mrhs.net". Below the email is a text input field containing the password "Mrhs!4125". A red arrow points to the end of the text in the input field. Below the input field is a blue button labeled "Sign in". At the bottom left, there is a checkbox labeled "Stay signed in". At the bottom right, there is a link that says "Forgot password?".

If you see the MRHS Falcon you are all set! You can now use Gmail to send and receive mail and access other Google Apps like Classroom, Drive, and Docs.
