Dear AP student,

Congratulations on your hard work and determination in our most rigorous level of coursework at Nipomo High School! Taking the Advanced Placement exams is an important part of all AP courses. Nipomo High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition.

For the 2017 AP exams, students at Nipomo High School will be registering online. This registration will take a few minutes and can be completed from any computer with internet access.

This year each AP exam costs \$100.00. There is also a \$5 registration processing fee. Nipomo High School desires that every student be able to take their AP exams. Students requesting financial assistance can request aid while registering. Students who are on the Free/Reduced Lunch Program will have a reduced fee of \$57 per exam with "Approval Letter" from the cafeteria. Please provide this information to Mrs. Susank in Room 101.

Online Exam registration is open now and ends on **Saturday, February 17, 2018**.
Late registration with an additional fee of \$10 per exam ends on Wednesday, February 21, 2018 at 11:59 pm.

In order to register, click here: www.TotalRegistration.net/AP/052211 . To complete registration, students must answer all of the required questions. **Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end.** We know that parents may desire to register their students for exams. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered and paid for. Nipomo High School is excited to offer families the convenience of paying exam fees online at the time of registration. Please be sure to have a **credit card or debit card available before beginning registration.** Paying online is a great way to make sure that payment has been made while avoiding mailing payment.

Testing Accommodations: If you have a documented disability, you may be eligible for accommodations on the AP exams. See page 7 in the Bulletin for AP students and parents. Information about requesting accommodations is available on www.collegeboard.org/ssd
Information about administering accommodations for AP exams is available at www.collegeboard.org/apssd

***** Please contact Mrs. Susank right away if you plan to ask for accommodations *****

Please contact Mrs. Susank, kara.susank@lmusd.org, if you would like to register for an exam not listed, have questions regarding AP scholarships, or do not have the ability to pay online.

Again, congratulations and we look forward to setting you up for success with Total Registration.
