Please refer to the back side for important upcoming dates!

Mark Your Calendars with these Upcoming Dates:

RE-ENROLLMENT

It's that time of the year once again! Re-enrollment packets are being sent home with students Monday, January 29th. Please be sure to take advantage of re-enrolling during the month of February to ensure your child's placement for next year. The re-enrollment fee is \$100. Enrollment to outside families will begin March 1st, at which time the re-enrollment fee will also increase. If your student has a younger sibling who will be ready for enrollment in Preschool, Transitional Kindergarten, or Kindergarten in the Fall, please stop by the school office to pick up the application. Those applications should be turned in during the month of February for priority enrollment.

The **Science Arts and Crafts Festival** is
Thursday, February 8th from 5:00-7:00pm.

We are excited to announce that the theme for this year is **SPACE**. The beauties and revelations found in the universe are a broad guideline to the types of projects students may enter. Non-space related projects will be accepted, but we encourage students to be inspired by this year's theme.

We are hoping to achieve 100% participation from our student body!

Be sure to pick up your entry card in the school office prior to the festival.

Our last turn in day for **Box Tops** is Friday, February 9th.

Collection sheets have been sent home with students. However, you may also place cut box tops in envelopes or Ziploc bags; be sure to mark them with your student's name and teacher's name.

Wednesday, February 14th

It is **Spirit Day**...be sure to wear your **Valentine colors!**

Classroom Valentine Parties are being planned.

Be sure to watch for information to come home from
Room Parents!
