OBJECTIVE (goal): to introduce yourself to Mr. Campi and to your classmates, I would also like to understand some of your basic academic computing skills, in order to make the class more interesting and relevant to your life. Do the best you can with what you know, be creative and have fun!

BASIC RUBRIC: By putting in effort and including all of the elements above you can earn a B, 80-89%, to earn the other 1-11% and get an A, your creativity, originality will need to be clearly seen.

PROJECT STEPS
• Create a new presentation in Google Slides
• Add a Slide Theme
• Save As: MAW_Autobio_LastName
• On the Title Slide, in the Title text field: Autobiography
• In Lower Third text field: Your First and Last Name
• Write out the date (i.e. January 13, 2016)
• Share with vcampi@champscharter.org
• Answer each question in a complete sentence.
• Do not write the questions.
• Each slide needs a photo or clip art that supports the information on the slide

THE QUESTIONS
Answer only one question per slide
1. What grade are you in? (slide 2)
2. How long have you lived in Los Angeles? (slide 3)
3. What school did you go to last year? (slide 4)
4. What didn’t you like about last school year? (slide 5)
5. What did you like best about last school year? (slide 6)
6. What is your favorite school subject?
7. What are the top three things you like to do outside of school? (Hobbies)
   Put each hobby on a separate slide.
8. What is your favorite food?
9. What is your favorite movie?
10. Who is your favorite musician/rapper/band/music?
11. What is the main thing you want to learn or do in this class?
12. What computer/digital photography, art, or design have you done?
13. Optional, anything else you would like to share
