

# ACE Show Choir

*Linden High School*

*September 30, 2013*

*Dear Linden School Board,*

*ACE Show Choir and Linden High School Marching Band/Flag Team are proposing to travel to Anaheim, CA for the annual Forum Music Festival on April 10-13, 2013. While there, both groups will perform for adjudication and ranking at the festival. Additionally both groups will perform at Disneyland Park and participate in workshops where they will work with Disney professionals.*

*Students will miss two days of school; however, each student will be responsible for any make up work or homework. This is an annual event for Show Choir and last year they brought home a GOLD rating. Traveling with us will be some of our booster parents.*

*We are seeking the Board approval to participate in this event.*

*Sincerely,*

*Ken Kell*
