

**Extracurricular/Co-curricular/Student Driver “Opt Out” Form
2018/19 SY- Due by August 15th, 2018**

I, _____, have decided not to participate in any extracurricular or co-curricular activities sponsored by West Clark Community Schools or drive to school for the 2018/19 School Year. In order for me to participate in the extracurricular or co-curricular activities or drive to school, I must be enrolled in the grades 9-12 random student drug testing program. By signing this form, I am effectively taking myself out of the pool for testing and making myself ineligible to participate in any extracurricular, co-curricular and or drive to school during this school year.

This form will be kept on file within the school but will NOT be part of the student’s permanent records. Opting out will have NO impact on student grades.
