### Thanksgiving Canned Food Drive – CANNED FOOD NEEDED

This year for our Thanksgiving Service Project, the Sixth Grade is hosting a canned food drive. There are people in our area who do not have enough money to buy food for a big Thanksgiving, so we want to help them out. We will be collecting canned food items such as canned vegetables and fruit, cranberry sauce, instant rice or gravy, etc. You can bring canned food items in from Monday, November 16<sup>th</sup> to Friday, November 20<sup>th</sup>

***The grade that brings in the most food will win a free dress day.***

## **STARRY NIGHT NEWS**

### **"Embrace the Moment" and ATTEND**

How would you like for your child to be "Principal for the Day", or how would you like to be "Queen and King of Carpool" and not have to wait in the carpool line? How about a trip on the Kentucky Bourbon Trail, a 55" curved HD TV donated by Sharon and Johnny

Maloney, or a private interactive dinner party with eight of your friends with Chef Frank Signa? These are just a few of the Live Auction items being offered at this year's Starry Night Gala. Silent Auction will be filled with many offerings. Artwork, Yeti Coolers, Health Club packages, Staycations, Fine Jewelry, Tailgate Packages, Restaurant Gift Cards, Children's Games, and many more.

A variety of scrumptious food from the Knights of Council 9543, Whole Foods, Seafood Revolution, Drago's, Another Broken Egg, Lost Pizza, Olivia's Food Emporium, Mama Hamil's, and others. Beverages will be overflowing and there will be boogying to *D-Play Band*.

### **"Embrace the Moment" and VOLUNTEER**

Have you fulfilled your Starry Night volunteer obligation? STA is a school that promotes service from the students and parents. According to page 39 of the Handbook, St. Anthony requires a minimum of ten volunteer hours per family per year. Three (3) of your volunteer service hours must be dedicated to the Starry Night Gala or Eagle Scramble. Committees are in place and work has already begun. To volunteer, please contact Starry Night Chair, Kimberly Conerly, at [kimberlyconerly@yahoo.com](mailto:kimberlyconerly@yahoo.com).

### **"Embrace the Moment" and WIN**

There are many chances to come home with a prize this year. Raffle Tickets are currently being sold for **Anything Disney**. Only 250 tickets are being offered at \$100 each, so get your ticket(s) before they are sold out. The drawing for Anything Disney will take place at the Gala. **Bucket of Beer** – During the Starry Night Gala, you have the chance to go home with a Yeti Bucket filled with Craft Beer. Raffle Tickets will be sold at the event for \$10 each, 6 for \$50, or 12 for \$100. **Wine Pull** – There will also be a Wine Pull. The value of each bottle of wine is at least \$20 and some bottles may be worth \$100. "Corks" will be \$25 each and there will be 100 "corks" sold. If you buy a "cork", you will be guaranteed a bottle of fine wine!

Thank you to those who have already put in countless hours to make this event a success for St. Anthony, especially this year's Starry Night Chairs: Kimberly and Shaun Conerly, Amanda and Kevin Camp, Laura Ring, Kim Kosek, Carolyn Erwin, Katie Williams, Marcia Collins, Joseph Naegele, Michael Schuhmann, Alvin Blue, David Grant, and Dennis Riecke. They and their committee volunteers are appreciated! Please let them know how grateful you are when you see them.

## Join STA on Tuesday, Nov. 17 for a Pop Up Art Exhibit!

The Whole School Institute has invited St. Anthony and other Model Schools to exhibit a few pieces of their students' art. The art will be displayed for public showing on Tuesday, November 17 at The Mississippi Museum of Arts Grand Hall. Let's have a good showing from St. Anthony and make our artists proud.

**ARE YOU READY TO RUN??** Coach Dywane is getting the students geared up for their One Mile FUN RUN, scheduled for Saturday, January 9. Sponsored by Blue Cross Blue Shield of MS.

**Third Grade Students** worked in pairs as they experimented with the question, "Why do Egyptians wear white clothes?" Students ran a test to determine which color absorbs heat more: white or black.

The Second Grade Students presents a video on the St. Anthony Facebook Page – Click below to watch.

**Thank you, Veterans!**

### **St. Anthony and St. Joe Garden Project**

The library was filled with garden enthusiasts last week as volunteers came together to discuss plans for a working garden between St. Anthony and St. Joe students. Those who attended gave their "food for thought", from the tilling of the Earth, what to plant, how to incorporate this project into the classrooms, and fencing to keep out predators. This week, STA Dads, Greg Latour and Bland Young walked the "back forty" with Lisa Harmon and Pat Frascogna. Sometime in December, Greg plans to bring his tractor and till to get the garden going. Bland plans to install an irrigation system, so there will be a constant water source during the hot Mississippi months. The veggies will be planted soon and then.....more to come!

If you are interested in getting involved, please contact Lisa Harmon at [lisawharmon@aol.com](mailto:lisawharmon@aol.com).
