Linden Advancement Academy

The Linden Advancement Academy (L.A.A.) is a school within a school located at Linden High School. L.A.A. students follow the same rigorous curriculum as traditional Linden High School students utilizing digital, computer-based learning programs. L.A.A. students and parents also benefit from:

- Flexible daily schedules.
- The opportunity to earn work experience credit.
- The opportunity to earn a Linden High School diploma.
- Weekly teacher-parent communications on student progress.
- A self-paced learning environment.
- The opportunity to participate in extra-curricular activities.
