

Dress Code

Uniforms are mandatory for all students at Jubilee Highland Park. Uniforms are to be worn from the first day of school through the last day of school. If your child comes to school without the proper uniform attire, **a written excuse to the office must come from home.** The following are examples of acceptable excuses: family emergencies i.e. medical, death in family, fire, etc. Examples of unacceptable excuses are as follows: washer/dryer broke, spent the night at relatives, parent didn't wash, out grew uniform, etc. If the student does not have an excuse, parents will be notified so that students will be compliant with the school dress code. Any classroom time lost due to inappropriate dress will be considered an unexcused absence. If a student is sent home during a test, students may not be able to make up the test. Persistent violations of the dress code may result in In-School Suspension or Suspension. The administration will be the final authority on what may or may not be acceptable.
