An essential part of our Catholic faith is remembering that we are all connected. We believe that for people of faith, when death comes "life is changed, not ended." All the bonds we created in this life will continue in the next. Until that time we are all connected as the Communion of Saints. Our tradition at Father Judge is to write down the names of loved ones who have passed away and to place the names near the altar. For the month of NOVEMBER, t the Names of the Dead will be available for our parishioners to write the names of their beloved family members who have gone before us. These names will also be placed at the foot of the Tabernacle to be remembered by all who pray in our school Oratory. **Please drop off to the basket on the counter in the Main Office or give it to Fr. Jack in the Office of Salesian Spirituality & Mission.**
