

Bring your scouts to the Planetarium!

Neil Armstrong Planetarium

Inside Outer Space

**As low as \$3.00 per scout!
That's value!**

So what is included in your group's special night?

- *Up to 50 guests!
- *Customize your program to meet merit badge requirements

*1 1/2 hour event, including introduction on direction finding using

- the Sun and North Star
- *Your choice of digital sky show for your guests
- *Night sky study with take-home constellation charts!
- *Discounts available for (2) showings in the same night, or combine with other smaller scout groups to save!

A \$150.00 donation to the AAHS Astronomy Club is the flat-rate cost for a night under the stars that your scouts will never forget!

Scouting has a variety of astronomy-related achievements, and Mr. Krug will work with your leaders to target your group's needs.

**Bears:
Space
Elective**

**Webelos:
Engineer Badge
& Astronomy
Belt Loop & Pin**

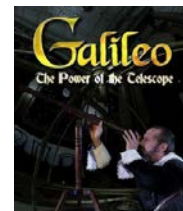

**Boy Scouts:
Astronomy &
Space
Exploration
Merit Badges**

**Girl Scouts:
Aerospace
Day &
Astronomy
Night**

All of these feature shows- and more- are available for your group's exciting night!

Looking for a memorable night with your scouts that also fulfills merit badge requirements? Do you need to plan an outdoor adventure, but are worried the weather won't cooperate?

Come to the Planetarium, where the seats are dry, and the skies are clear! Book your scouting adventure with us today!
