

*Free Parent Event:
How to Improve Your Child's
Fine Motor and Sensory
Integration Skills*

Does your child have a hard time fastening buttons and zippers? Do they hold their pencil in an awkward way? Do they have problems orienting their letters on the paper? Do they have difficulty focusing in a loud environment?

At this presentation you will:

- Gain an understanding of age appropriate fine motor skills and typical challenges
- Learn how to engage your child in play activities to practice fine motor skills and address sensory issues
- Be able to see and touch equipment and materials for the home environment
- Get information on helpful resources and ask general questions. Please note, due to confidentiality issues, specific questions about an individual child or eligibility for OT services *will not* be addressed during this time

Introduction by Marla Silversmith, Director of Special Education. Presentation by Christine Frazier and Diane Warzecha, PUSD Occupational Therapists.

Tuesday, February 23, 2016
7:00 p.m. – 8:30 p.m.
