

## Using the VDI System (Web)

1. Launch a web browser such as Google Chrome, Internet Explorer, or Safari
2. Navigate to <https://windows.rfisd.net>
3. Select “VMware Horizon HTML Access”

4. Enter your network login information and click login

vmware Horizon

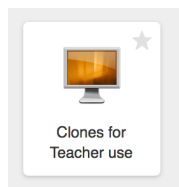

username

.....

RFISD

Login

Cancel

5. Click on the computer monitor displayed. In this example, it shows “Clones for Teacher Use.”
6. You will then see a running version of your Windows PC through the web
