 *Immaculate
Conception*
HIGH SCHOOL

Adopt a
Scholar

The value of a Catholic education is immeasurable.
A strong foundation starts with our youth.

For over 100 years...

Immaculate Conception High School has provided students with academic excellence, extracurricular enrichment, and a variety of service opportunities. We offer a diverse, loving environment firmly grounded in the Roman Catholic faith and are proud to be a Felician Sponsored Ministry. We strive to inspire their passions and teach students to become strong, meaningful, and caring world citizens.

With education costs becoming increasingly expensive, scholarships are paramount in enhancing student access to elite programs such as ICBS and to the wide range of opportunities that come with a faith based education. **ICBS Adopt-a-Scholar program provides financial grants for young women who want to keep the dream of a Catholic education alive.**

ICBS is a place where **young women can reach their greatest potential and where their self-esteem can flourish.** By adopting a scholar, or making a contribution towards a student's tuition, your commitment will transform a student's life allowing them to develop a promising future in their pursuit of academic excellence.

Benefactor gifts will go a long way in ensuring that the most talented, successful, and truly exceptional minds will be the leaders of tomorrow and graduates of ICBS.

ICBS will select students for the Adopt-a-Scholar program based on the following criteria:

- The desire and motivation of the student to attend ICBS
- The family's financial situation
- A strong commitment to continue their education upon graduation

100% of the donor contribution is used for scholarship for the sponsored students.

ICBS Adopt-A-Scholar program has created thousands of dollars in scholarships and continues to grow. Please consider taking part in this incredible opportunity and make an ICBS education a reality for students' today. Join an elite group of donors who have Adopted a Scholar including Individual Alumnae and Families, ICBS Alumnae Association, ICBS Parent's Association, Community Friends, and Local Businesses.

Why Adopt-a-Scholar

- Honoring a loved one through a named scholarship
- Celebrating your time at ICBS
- Making a contribution that generates immediate results
- Changing the life of a student who may one day change the world
- Creating new relationships with today's youth
- Benefiting from a tax-deductible gift to a 501 (c)(3)

Benefactor Investment

- An opportunity to maintain contacts with their adopted student and meet her at ICBS and/or provide a mentoring role in the student's academic progress.
- Your generosity will be publicly recognized on a plaque that is prominently displayed in school lobby.
