

Join McKinley PEP!

What is McKinley PEP?

McKinley Parents as Educational Partners is an organization made up of parents that helps raise money for student enrichment activities, classroom supplies, fun family events, field trips, scholarships, teacher appreciation, and more! We meet monthly, but would welcome as little or as much involvement as you are able. Even helping out at a single event can make a difference.

Why join?

- Help contribute to your student's education
- Get connected with other parents, teachers, and staff of McKinley
- Have a say in what activities we support
- Be a great role model to your children

We would love to have you join us this year!
