October 1, 2015

Dear Parents:

With the school year well underway, I wanted to take a quick moment to communicate about a subject that is of critical importance to all of us within the Oak Grove School District—student safety.

Although our District is one of the safest in the county, there is no denying that keeping our students safe is a never-ending responsibility that we embrace wholeheartedly. To better fulfill our duty, we always ask to have constant communication between our District and the parent/guardian community.

With that in mind, the purpose of this letter is to encourage parents/guardians to discuss safety measures and precautions with your child. Those topics can include school safety guidelines, pedestrian safety, an emergency plan for every family, and other critical items.

Furthermore, if you have any concerns regarding our District safety measures, or if you have information you feel can assist us in our efforts, I invite you to reach out to my office to communicate your feedback.

I look forward to our continued collaboration, and look forward to a successful and safe school year.

Respectfully,

Jose L. Manzo
Superintendent
