Armstrong Junior-Senior High School

Fall 2017 – Senior High Edition

Welcome Back!

There have been some changes in the guidance department this year. Rather than having junior high and senior high counselors, each counselor will be working with students in grades 7-12 based on the alphabet, as follows.

Mrs. Giconi - Students with last name A-C

Ms. Deforno – Students with last name D-K

Dr. Linkes – Students with last name L-R

Mr. Zablocki – Students with last name S-Z

Please remember if you are having a problem and your counselor is not available when you stop in the guidance office, you may speak with any available counselor. We are all here to help ALL students.

We are looking forward to working with you and hope you have a great year!
