

**Thomasville Middle School
in conjunction with
Thomasville City Schools
would like to introduce**

The **P**ositive **B**ehavior **I**ntervention and **S**upport system will impact the learning environments within our school, promoting high student performance and reducing negative behavior. PBIS involves implementing interventions that create an environment in which the student can learn responsible behaviors and achieve success. The PBIS initiative brings schools, parents, and the community together to support the teaching and learning for ALL students.

We look forward to sharing PBIS progress with you!
