of September 28, 2015

HEALTH SERVICES REPORT

Kathy Tedone, Coordinator of Health Services, and Sarah Conlin, Registered Nurse, presented the annual Health Services Report for 2014-2015 to the Governing Board. Ms. Tedone shared statistical data regarding the number of health office visits, the number of students with known health care problems, students who take medication at school, as well as specialized health care procedures. Both nurses participated in health evaluations, IEP meetings, CAST meetings and pre CAST requests for nursing evaluations, in addition to providing health education lessons, vision/hearing and other screenings.

Kaiser Permanente, the Orange County Health Care Agency and the Orange County Department of Education formed a partnership to coordinate assets to offer and give flu vaccinations at Corey and Emery elementary schools. Nurses' Tedone and Conlin played an integral role in initial consent screening, scheduling students to receive vaccinations, supplying total count of vaccine needed, notification and reminders to staff and parents of the flu clinics, arranging location of clinics and being present to assist on the day of the clinics. Both clinics were well attended and considered highly successful.
