

## **Birthday Celebrations at CES**

Due to various factors including the District's Wellness Program, allergies, and other potential health risks to students, birthday desserts, sweets, or any other edible items, brought for birthday celebrations, will no longer be permitted at school. Unfortunately, all food items brought to celebrate a student's birthday will be sent back to the parent. Please consider a non-edible alternative (pencils, stickers.....) if wanting to send a celebratory item with your birthday student. Because our staff is committed to promoting quality literature for our students, perhaps donating a favorite book to our school or classroom library could be an option. Classroom teachers will still have the option to recognize your child's birthday in their own special way.
