August 28, 2017

Dear parent,

In the wake of the disaster in Houston, some of our students have asked what we can do to help. It has been suggested that we gather items to send to Houston to help in the relief. A local church will be taking items to Houston toward the end of the week, which provides our students with a great opportunity to help those in need.

We will collect school supplies, Gatorade, bottled water, diapers, wipes, and toiletry items. If you wish to donate, please bring your items to Siebert no later than Wednesday afternoon.

Sincerely,

Scott Allen

Shelley Rinehart
