

## ***CRIMINAL JUSTICE***

***Instructor: Major Chambers***

The Criminal Justice Program is designed to present an in-depth study of the purposes, principles, practices, and ethics of the protective services profession.

This course is articulated with Wor-Wic Community College. Evidence of satisfactory program completion with at least a “B” average can be presented to the college or academic credit.

This two year course deals with the study of all forms of law enforcement; military, corrections, private security and courts.
