ROUTINE FIELD TRIPS – *sites on the pre-approved site list only* - see updated site list <http://fieldtrips.lausd.net>

The School site *Principal is authorized to approve all routine field trips*. These routine requests do not need to be processed through the Local Education Service Centers. However, the Principal has the responsibility to maintain the records, to ensure the safety of students, including appropriate transportation for special needs students, and to certify the educational value of each field trip.

NON-ROUTINE FIELD TRIPS

Authorization for trips to overnight and/or out-of-state and other sites not previously approved by the Board of Education requires the prior approval of the *Principal* and the *Local Education Service Center Superintendent* as well as processing through the **Division of Risk Management**. Remember to process your application early for these trips. Please allow *up to 30 days* for processing.

OVERNIGHT FIELD TRIPS

Overnight trips on the approved and not approved list must be authorized by both the *Principal* and the *Local Education Service Center Superintendent* for educational value. The **Division of Risk Management** will then review for safety and insurance. Group Travel accident/illness insurance must be purchased for the students. Please allow *up to 45 days* for processing.

FIELD TRIPS OUT OF THE USA

All field trips to a foreign country must have Board of Education approval *at least 45 days* prior to scheduling the trip. Trips to a foreign country sponsored by non LAUSD organizations are handled in the same manner as "Non Sponsored" field trips.

The Organization/Agency sponsoring the trip is responsible for obtaining all pertinent documents from students, parents/guardians, chaperones and travel agencies.

Parents of students planning to participate in such extracurricular trips must be informed in writing that the District assumes no liability in connection with the trip. The teacher who undertakes such an activity must be informed in writing that he/she does so strictly in his/her individual capacity and not in his/her capacity as a District employee.
