From the Teacher's Desk...

Any parent who wishes to attend a field trip, must be a chaperone, and will be required to be responsible for other children from the class. The teachers will assign students before the trip is set. We ask that chaperones do not purchase extra treats or gifts for the students as we do not want other students to be upset.

4th grade parents— please keep an eye out for information regarding Christmas Around the World! 4th grade is doing Christmas in Africa. More details to come!

ALL parents must subscribe to their child's teacher/teacher's pages AND individual class pages. Teachers will be putting homework assignments up via the website. Subscribers will get emails nightly about homework assignments and any other important information from your teachers.
