School Accountability Report Card

Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

The Governing Board recognizes that parents/guardians are their children’s first and most influential teachers and that continued parental involvement in the education of children contributes greatly to student achievement and a positive school environment.

Parents support their children’s academic efforts and their development as responsible members of society by helping their students at home with their school work, attending conferences and providing a caring environment.

Fruitvale encourages parents/guardians to serve as volunteers in the schools, attend student performances and school meetings, and participate in site councils, advisory councils and other activities in which they may undertake governance, advisory and advocacy roles.

Parent Clubs at each school are currently active in providing many activities for Fruitvale School District students. They work together to assist in school programs and community projects. Please contact the school for specific information and opportunities for parent involvement.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (Most Recent Year)

The plan is dedicated to the ongoing enhancement of all aspects of school safety including:

- Maintenance of safe and orderly learning environment by maintaining the buildings and grounds to a high standard.
- Student transition to and from school with instructions on how to cross streets safely and a crossing guard posted by the school. Along with this there is a Transportation Safety Plan that includes instructions on how to board and exit the bus safely, how the red cross-over lights are used and annual evacuation exercises.
- Student behavior and discipline is outlined in the plan and is given to the parents and students via the Student/Parent handbook at the beginning of the school year.
- Disaster preparedness is accomplished by training the staff to respond to natural disasters or evacuations due to potential hazards. Many of the staff are trained in first aid and CPR procedures along with triage, search and rescue and student security in the event of an emergency.
- Playground and classroom facilities and equipment are inspected annually with written reports of the findings. The play equipment has been inspected by a certified playground inspector and there is an ongoing maintenance program to improve the safety of the equipment. A quarterly inspection of the buildings, grounds and play equipment is done by the Lead Custodian and documented on a standard form.
- Student, parent and staff safety training is done on an ongoing basis through inservices, fire and earthquake drills and parent universities.

Professional Development (Most Recent Three Years)

Staff development priorities for 2015-16 include writing across the curriculum Common Core unit development and implementation, and the use of technology to improve student learning.

Training and staff development are provided at both the District and individual school site level. Fruitvale School District is part of the Kern County BTSA (Beginning Teacher Support and Assessment) Consortium. In the BTSA program, first and second year credentialed teachers are paired with District BTSA support providers who will mentor them in the California Standards for the teaching profession.

Teachers who have met California's subject matter requirements, but who are not fully credentialed will participate in the Intern program. Intern teachers will be paired with a credentialed teacher to participate in a planned sequence of instruction to obtain a California Teaching credential.

In-service training and curriculum improvement is administered by the Director of Curriculum/Staff Development in conjunction with the Principal, School Site Council, mentor teachers, technology mentors and various teacher advisory groups. Professional Development occurs four times each school year for .5 days each time, by way of a minimum day. Students are dismissed on a Minimum Day Schedule at 11:30 a.m.. In addition, "time banking" allows for an early release one day per week for grades three-eight. Students are dismissed at 1:55 p.m. every Wednesday to allow for Professional Development and Collaboration Time.
