TOGETHER EL SERENO ACHIEVES MORE

JANUARY ISSUE

New Year's Resolution:
**Today A Reader
Tomorrow A Leader**

Parent tips:

- ✓ Review with your child their morning, afterschool and evening routines to get them back on the right tack
- ✓ Review with your child the attendance goal of not missing more than 7 absences the whole year.
- ✓ Review with your child that rain is not a reason to be absent from school.
- ✓ Please be sure your child is dressed accordingly to the weather.
- ✓ To avoid the flu make sure your child:
 - Drinks lots of liquids (water, juice etc.)
 - Eats 3 meals a day
 - Goes to bed early so his/her body is able to rest

Happy New Year!

Attendance is more than just being physically present when the teacher takes attendance. Attendance represents a family's commitment to their child's education, and ultimately their future. Great attendance signifies a parent's pledge to encourage their child to discover what their strengths and interests are, and learn to overcome challenges, which is fostered and nurtured in the school environment. Schools are responsible for teaching children how to become active, productive citizens. However, schools can't accomplish this goal if students are not there. Parents, as you think about the New Year resolution you will set for yourself, don't forget to make the commitment to make attendance a priority for your student!
