

**DEVELOPMENT OF ADMINISTRATIVE REGULATIONS**

**PURPOSE**

The purpose of this policy is to include employees who are impacted by policy to assist in developing and changing policy for the North Kingstown School District.

**PHILOSOPHY**

The North Kingstown School Committee believes policy should be written with input from a variety of sources. Stakeholders may not be directly involved in writing policy, but they should have a chance to discuss and make suggestions to policy that affects the mission of the district.

**POLICY STATEMENT**

In the development of rules, regulations, and arrangements for the operation of the school system, the Superintendent shall include at the planning stage, whenever feasible, those stakeholders who will be affected by such provisions.
