
Our History

Harvey High Alumni Association

Established in 1985, the organization has grown consistently over the years. The Harvey Alumni Association is dedicated to promoting activities which support the efforts of current and former Harvey High School students. College scholarships honoring current seniors, and Hall of Fame awards honoring outstanding alumni and community members are given annually. The Silvio Trifiletti Award, in honor of the alumni association's first President, is given every year to a Harvey faculty or staff member who has undertaken a special project to benefit the Harvey community.

The Endowment Fund

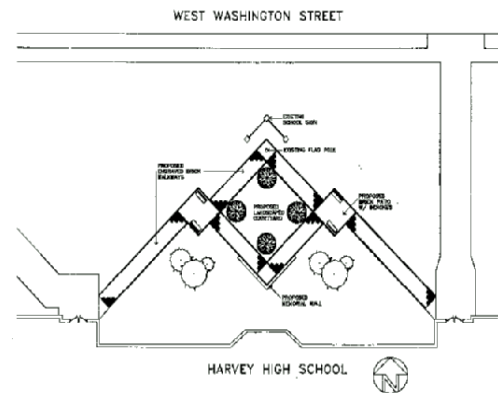

The Harvey Alumni Association recognizes that the Painesville City Board of Education provides a broad range of educational experiences for students at Thomas W. Harvey High School. In establishing the Endowment Fund, our central purpose is the enhancement of these experiences. Through your generous support, we intend to provide creative and unique educational experiences, scholarships, and recognition programs that will further strengthen the high school experience.

If you would like to assist The Harvey Alumni Association Endowment Fund, please contact Ron Balogh at (440)352-1339, or visit the Harvey Alumni website at www.harveyalumni.com

The Fundraising Project

Local architect, Ray DeLaMotte Jr., has designed an attractive brick walkway which will join the two existing sidewalks leading from Washington Street. Your contribution to this project will purchase a 4" x 8" brick engraved with up to 3 lines of lettering (14 spaces). A larger, 8" x 8" brick is also available. Bricks are a thoughtful way to acknowledge a birthday, graduation, student accomplishment, or to memorialize a loved one. Please use the enclosed order form to reserve your place in Harvey's history.
