

FIREBAUGH HIGH SCHOOL

August 1, 2018

Dear Parents, Students, and Community,

Firebaugh High School is focused on excellence in Academics, Athletics, Agriculture and the Arts. We strive to prepare our students to be ready for both college and career. We offer the most ROP course offerings in Fresno County and have been recognized for high pass rates on the AP exam. We have won numerous Valley Championships in athletics in the past few years and in the same time have built a music program to excellence. Firebaugh High School works hard to provide an environment that is open and welcoming for all students, parents, and community members. We welcome you to come by the office to talk and learn more about your child's education. From college scholarships to career exploration we want to be here to help in the first step towards our student's life long journey of education. We hope to talk and see you soon at one of your child's educational experiences!
