Principal's Message

Bowman High School's core values, developed collaboratively with students, staff, parents, and community members, inspire us: We believe that all students can learn. We believe that every student deserves opportunities to succeed. We believe that honoring diversity strengthens us. We believe that failure is not an option.

Jereann Bowman High School, an educational alternative to a traditional high school setting, offers an environment where students develop academic and critical-thinking skills. Students explore career and postsecondary options, develop positive character and citizenship traits, demonstrate effective communication skills, and expand cultural understanding and awareness.

We are a California Model Continuation High School where teacher collaboration and a focus on critical thinking skills have successfully improved student achievement. In 2017 we graduated 270 students, with a graduation rate of 95%. Reading, writing, critical thinking, academic vocabulary development, and Lesson Study collaboration continue as our curricular focus.

Bowman is fully accredited by the Western Association of Schools and Colleges (WASC) for a six-year, clear term and has been awarded the California Model Continuation High School award for the past 16 years. Educators from throughout the state visit Bowman to learn from our successful and innovative program. We welcome parents and family members to volunteer at school and on the School Site Council.

Bowman challenges and supports students to reach their fullest potential as unique members of an ever-changing society. As members of a smaller learning community, our students forge vital connections with caring adults to improve their academic achievement and to experience success. We believe, and demonstrate, that all students can be successful.

Robin Geissler, PRINCIPAL

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 10	1
Grade 11	110
Grade 12	361
Total Enrollment	472

2016-17 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	4.7
American Indian or Alaska Native	0.4
Asian	1.3
Filipino	1.1
Hispanic or Latino	66.9
Native Hawaiian or Pacific Islander	0.2
White	22.7
Two or More Races	2.1
Socioeconomically Disadvantaged	52.1
English Learners	26.5
Students with Disabilities	16.5
Foster Youth	1.5

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Jereann Bowman Continuation High School	15-16	16-17	17-18
With Full Credential	19	20	20
Without Full Credential	1	0	1
Teaching Outside Subject Area of Competence	0	0	0
William S. Hart Union High School District	15-16	16-17	17-18

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

In 2016 an additional portable classroom and office Annex building was installed. Plans for a library/MPR facility are pending, contingent upon funding. Visitors to Bowman are surprised to find that the school facility was built 23 years ago. Thanks to tender care from custodians, groundskeepers, students, and staff, the school retains a pristine and modern look.

Each and every campus within the Wm. S Hart High School District is inspected by an on-site facility person on a daily basis. All deficiencies are reported electronically directly to District Maintenance and are corrected in an expeditious manner. As of 1/9/2018 there are currently 27 work requests in progress.

School Facility Good Repair Status (Most Recent Year)
Year and month in which data were collected: 8/7/2017

Overall Rating	Exemplary	Good	Fair	Poor
	X			

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	39	35	67	68	48	48
Math	5	5	47	48	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	117	115	98.29	34.78
Male	72	70	97.22	32.86
Female	45	45	100	37.78
Black or African American	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	71	70	98.59	25.71
White	30	29	96.67	44.83
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	74	74	100	27.03
English Learners	31	31	100	16.13
Students with Disabilities	21	21	100	14.29
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	117	114	97.44	5.26
Male	72	69	95.83	5.8
Female	45	45	100	4.44
Black or African American	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	71	69	97.18	4.35
White	30	29	96.67	10.34
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	74	73	98.65	1.37
English Learners	31	30	96.77	0
Students with Disabilities	21	20	95.24	10
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

We encourage parent and family involvement. We have formed the Action Team for Partnership (ATP) program to foster parent/guardian collaboration and to find creative ways to strengthen this important link. The ATP committee consists of administration, teachers, parents/guardians, students, community members, and other staff. Additionally, we have an active parent English Learners Advisory Council who works to provide information and support to our English Learner families.

The School Site Council (SSC) meets to make decisions on funding for school programs. Site Council also monitors progress and student achievement. In addition, we have an English Language Advisory Committee to help students learning English feel welcome, and Spanish translators are present at all school meetings. A Bowman parent serves on the Hart District's Parent Advisory Committee.

Community involvement at Bowman includes the ACTION Parent and Teen Support Group, Habitat for Humanity, Santa Clarita Scholarship Association, City of Santa Clarita's Youth Outreach Program, and College of the Canyons.

Information on how to volunteer at school is available from our administrative assistant, Carrie Covell, at (661) 253-4400. Parents are also encouraged at the intake meeting, to participate in all aspects of their students' educational program.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Bowman's school safety plan is reviewed annually to secure a safe and healthy learning environment. The plan includes child abuse reporting procedures, dangerous student notification, bullying and cyberbullying, dress code, school site discipline, evacuation procedures, risk management assessment, and crisis management and intervention. The plan is shared with staff before and after scheduled drills to ensure its efficiency. The plan was reviewed and revised in 2016, and modified to enhance procedures for the release of students in the event of a disaster.

Campus supervisors and school personnel monitor the closed campus before, during, and after school. Visitors must register in the Attendance Office areas before entering the campus.

Each year, at least two Intruder Lock Down drills are organized and implemented for the the safety of our students and staff.

We continue to have a safe and orderly environment at Bowman because everyone is a stakeholder in the process. In addition, Bowman has five security cameras throughout the campus to monitor school safety.

Suspensions and Expulsions			
School	2014-15	2015-16	2016-17
Suspensions Rate	3.1	4.2	6.6
Expulsions Rate	0.0	0.0	0.7
District	2014-15	2015-16	2016-17
Suspensions Rate	1.5	1.3	1.5
Expulsions Rate	0.1	0.0	0.0
State	2014-15	2015-16	2016-17
Suspensions Rate	3.8	3.7	3.6
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2017-18 Federal Intervention Program		
Indicator	School	District
Program Improvement Status		
First Year of Program Improvement		
Year in Program Improvement		
Number of Schools Currently in Program Improvement		
Percent of Schools Currently in Program Improvement		

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	2.5
Counselor (Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	0
Psychologist	1
Social Worker	.5
Nurse	.5
Speech/Language/Hearing Specialist	.5
Resource Specialist	0
Other	
Average Number of Students per Staff Member	
Academic Counselor	200

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
English	11	11	11	44	54	51	5	3	1		2	1
Mathematics	23	18	15	4	5	10		2	6	2	1	
Science	11	8	10	10	21	15	1					
Social Science	10	9	9	49	54	52	12	7	4			

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Professional Development for the 2017 school year focuses on the implementation of the Common Core State Standards. To support teachers in the transition to the core, the concentration is on building foundational understanding of the standards, developing resources, and expanding collaborations between all stakeholders. ELA and math content teams are developing pacing guides and designing rigorous curricular units for the 2016-17 school year and beyond. Instructional Coaches are engaged in a deep examination of the Common Core Anchor Standards for Literacy in preparation for supporting all teachers as they teach literacy across the curriculum. These Common Core Anchor standards delineate reading, writing, listening and speaking skills students utilize across curriculum at all grade levels. All teachers participate in site and district level professional development around these key literacy standards as well as strengthen and support core instruction of literacy practices. Teachers are also provided with the mobile technology and support they need to enhance instruction and increase the use of technology in the classroom. Finally, an on site Instructional Literacy Coach is assisting teachers in the collaborative, self-reflective practice of Lesson Study.

Finally, 100% of Bowman staff members participated in the 3 day Capturing Kids' Hearts Training for high performing teams. The training fosters the development of positive and trusting relationships, paving the way for high academic performance and a safe learning environment.

FY 2015-16 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$47,400	\$50,221
Mid-Range Teacher Salary	\$73,675	\$83,072

Career Technical Education Programs

Bowman currently offers two CTE Pathways. The tables below name the CTE Pathway and the courses offered that make up the pathway (i.e., introductory courses, concentration courses, and capstone courses (capstone courses are offered through Regional Occupational Program (ROP) and College of the Canyons (COC)).

Information Technology Sector Pathway

The sequence of courses is as follows:

Keyboarding

Computer applications A and B

Applied Communications (business communications class)

Home Page Productions (Adobe Photoshop CS3, Dreamweaver Web Design, and Basic HTML)

Microsoft Office Certification (COC)

Desktop Publishing/ROP

AP Computer Science

This year Bowman is adding a STEM Paxton Patterson Lab for career exploration in health science (ie, Con instructional technology; emergency medical technician; medical imaging; electrical; plumbing; manufacturing technology; and robotics automation). Our kitchen has been completely renovated for Culinary Arts classes. Finally, a module is being added for digital music.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
