Paul Fawcett  
**Director, Special Education**

### School Description

Dorothea Lange Elementary School is a school dedicated to not only the academic excellence of each student, but a place where we want students to look forward to getting up and coming to school every day. The Lange community is simply amazing. Dorothea Lange staff consists of 29 dedicated certificated teachers along with 24 professional support staff (including school psychologist, counselor, office staff, custodial staff, librarian, computer lab technician, instructional assistants, and all persons who are not classroom teachers). Each of these staff members does their best to create a positive environment and support classrooms with rigorous instruction. The fact that Lange received the CA Gold Ribbon Award for Academic Excellence in 2016 due to our focus around literacy instruction and intervention should be a surprise to no one. In just 4 short years we went from having just 35% of our students reading at grade level by the end of the year to over 80%, according to our Fountas and Pinnell Assessments. The Lange community is also incredibly supportive. We boast a very active Parent Teacher Organization that dedicates time and resources that humble us all. We also get a great deal of support from the surrounding community that does not even have children in our school.

Dorothea Lange Elementary School serves students in grades kindergarten through sixth grade. It is one of three elementary schools located in Nipomo, California in the Lucia Mar Unified School District. According to the 2010 census, Nipomo's population is 16,714 with 54.3% white, 39.8% Hispanic, 2.2% Asian and 3.7% other. The poverty rate for Nipomo is 9.4%. Lucia Mar Unified School District encompasses 550 square miles of southern San Luis Obispo County and serves approximately 10,900 students. The district is composed of eleven elementary schools, three middle schools, two comprehensive high schools, one alternative tech high school, and one continuation high school.

Dorothea Lange's current enrollment of 563 students represents a diverse population with 41% white, 54% Hispanic or Latino, 3% multiple ethnicities, >1% Asian, >1% African American, and >1% other or no response. We provide Resource Specialist and Speech Therapy programs that serve 54 students, approximately 10% of our school population. We have 107 English Learners, who are served in the regular education classrooms or during designated ELD instruction outside the classroom. Dorothea Lange has 293 students or 52% of our students being served by the Free and Reduced Lunch Program. We have 15 (2.7%) Gifted and Talented (GATE) students at Lange.

We strive to provide a positive, stimulating, and safe environment where everyone is valued and respected. We have high expectations while recognizing that staff, students, parents, and the community share the responsibility for a child's success.

### Mission Statement

To serve our community by providing a high-quality education, inspiring lifelong learners, and instilling a strong value for self and others. District Vision: ENGAGE. CHALLENGE. INSPIRE.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level	
Grade Level	Number of Students
Kindergarten	85
Grade 1	77
Grade 2	77
Grade 3	72
Grade 4	78
Grade 5	78
Grade 6	91
<b>Total Enrollment</b>	<b>558</b>

2016-17 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	0.5
American Indian or Alaska Native	0.4
Asian	0.2
Filipino	0.7
Hispanic or Latino	57
Native Hawaiian or Pacific Islander	0
White	38.9
Two or More Races	2.2
Socioeconomically Disadvantaged	55.2
English Learners	20.1
Students with Disabilities	10.4
Foster Youth	1.6

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Dorothea Lange Elementary School	15-16	16-17	17-18
With Full Credential	28	29	
Without Full Credential	0	0	
Teaching Outside Subject Area of Competence	0	0	
Lucia Mar Unified School District	15-16	16-17	17-18
With Full Credential	♦	♦	
Without Full Credential	♦	♦	
Teaching Outside Subject Area of Competence	♦	♦	

Teacher Misassignments and Vacant Teacher Positions at this School			
Dorothea Lange Elementary	15-16	16-17	17-18
Teachers of English Learners	0	0	
Total Teacher Misassignments	0	0	
Vacant Teacher Positions	0	0	

\* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)**

Lucia Mar Unified School District held a public hearing Sept. 19, 2017, and determined each school within the District has sufficient and good-quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams v. the State of California. All students, including English Learners, are given their own individual Standard aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education. Lucia Mar Unified School District follows the State’s seven-year adoption cycle. Auxiliary materials, such as math manipulatives, trade books, and science kits, are also purchased to support the textbook adoption.

<b>Textbooks and Instructional Materials</b>	
<b>Year and month in which data were collected: 2016-2017</b>	
<b>Core Curriculum Area</b>	<b>Textbooks and Instructional Materials/Year of Adoption</b>

Note: Cells with N/A values do not require data.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Dorothea Lange Elementary School provides a safe environment for learning. Built in 2005 Dorothea Lange Elementary is situated on fourteen acres. The school buildings span 44,977 square feet consisting of twenty-four classrooms, multipurpose room, library, computer lab, and administrative offices.

An addition of permanent shade structures over the outdoor dining/quad area will be completed in November of 2017.

Lange Elementary School is a closed campus. Many people visit the campus to volunteer in the classroom and participate in school events. Parents and visitors are welcomed and required to check-in at the school office upon arrival and obtain a visitor's badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, adults supervise students and school grounds, such as the cafeteria and recreation area, to ensure a safe and orderly environment.

Safety concerns are the No. 1 priority of maintenance and operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District maintenance staff has indicated that 100 percent of all toilets on school grounds are in working order. A team of custodians ensures classrooms, campus grounds, and restrooms are kept clean and safe. A scheduled maintenance program is administered by Lucia Mar Unified School District to ensure that all classrooms and facilities are well maintained and provide a suitable learning environment. A summary of these standards is available at the school office or at the District office.

School Facility Good Repair Status (Most Recent Year)				
Year and month in which data were collected: 6/30/2017				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	48	45	50	52	48	48
Math	38	32	37	37	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	91	88	96.7	45.5
Male	45	44	97.8	36.4
Female	46	44	95.7	54.6
Hispanic or Latino	50	49	98.0	36.7
White	36	34	94.4	58.8
Socioeconomically Disadvantaged	59	57	96.6	31.6
English Learners	14	14	100.0	21.4

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	48	45	53	55	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	30.3	15.8	25

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	323	313	96.9	45.37
Male	174	169	97.13	41.42
Female	149	144	96.64	50
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	184	181	98.37	35.36
White	125	120	96	57.5
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	178	173	97.19	29.48
English Learners	88	85	96.59	23.53
Students with Disabilities	38	36	94.74	5.56
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	323	313	96.9	31.95
Male	174	169	97.13	33.73
Female	149	144	96.64	29.86
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	184	182	98.91	24.73
White	125	119	95.2	42.02
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	178	173	97.19	18.5
English Learners	88	86	97.73	12.79
Students with Disabilities	38	36	94.74	8.33
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2017-18)

We encourage parents to partner with the Lange staff as we educate and celebrate your children. There is much research that indicates the higher degree to which parents are involved and interested in school, the more their students will achieve.

We welcome volunteers at Dorothea Lange. Parents and community members who wish to volunteer are provided with a short training. All volunteers must have fingerprints on file with Lucia Mar. We also have an active Parent-Teacher Organization (PTO) which raises money for field trips, assemblies, school equipment, and more. For more information on how to become involved, contact PTO President Jennifer Philson at (805) 474-3670 extension 8600 or dlangepto@gmail.com.

Parents are welcome to become involved in decision-making committees such as the School Site Council (SSC) and English Learner Advisory Committee (ELAC).

There are also family events planned each month and families are encouraged to participate. These include our Family Carnival, Silent Auction, STEM Night, Tech Night, Winter Performance, Grandparents' Day, Back-to-School Night, and Open House. These events and others are designed to involve parents in students' learning, build community, and celebrate student successes. Be sure to review the calendar of events on the school website or check out Lange Elementary School on social media (Facebook, Twitter and Instagram).

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

The Comprehensive Safe School Plan was developed by the District to comply with Senate Bill 187 (SB 187) of 1997. The Plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their Safe School Plans: current status of school crime; child abuse reporting procedures; disaster procedures, both routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a schoolwide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

The school evaluates the plan annually and updates it as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year. The Injury, Illness & Prevention Plan was last updated and reviewed with school staff in October 2017.

Suspensions and Expulsions			
School	2014-15	2015-16	2016-17
Suspensions Rate	2.88	1.55	2.59
Expulsions Rate	0	0	0
District	2014-15	2015-16	2016-17
Suspensions Rate	3.33	3.27	3.25
Expulsions Rate	0.24	0.23	0.18
State	2014-15	2015-16	2016-17
Suspensions Rate	3.79	3.65	3.65
Expulsions Rate	0.09	0.09	0.09

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2017-18 Federal Intervention Program		
Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement	2009-2010	2010-2011
Year in Program Improvement	Year 5	Year 3
Number of Schools Currently in Program Improvement	12	
Percent of Schools Currently in Program Improvement	85.7	

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	0
Counselor (Social/Behavioral or Career Development)	.2
Library Media Teacher (Librarian)	.6
Library Media Services Staff (Paraprofessional)	0
Psychologist	.5
Social Worker	0
Nurse	.3
Speech/Language/Hearing Specialist	1
Resource Specialist	0
Other	0
Average Number of Students per Staff Member	
Academic Counselor	

\* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Elementary)												
Grade	Average Class Size			Number of Classrooms*								
				1-20			21-32			33+		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
K	24	24	21				3	3	4			
1	23	23	25				3	3	3			
2	21	21	25	2	2		2	2	3			
3	25	25	24				3	3	3			
4	29	29	26				3	3	3			
5	31	31	26				3	3	3			
6	28	28	30				9	9	3			

\* Number of classes indicates how many classes fall into each size category (a range of total students per class).

### Professional Development provided for Teachers

Lucia Mar invests time and resources to ongoing, district-wide staff development in key initiative areas aligned to district goals to increase student achievement and support school improvement.

School Goals are derived in a variety of ways. Teachers generally review data from the previous school year including state test results, district benchmarks, and local assessments. This data is the springboard for determining site goals. Our goals are also a product of the priorities and goals outlined by the Lucia Mar Unified Board of Education; subsequently, Lange Elementary School's goals are aligned to district goals, and our professional development focus supports and reinforces our school goals. After consulting with our site colleagues, Lange's goals are selected by the Lange Instructional Leadership Team. In addition to the principal, the professional development coordinator, the Instructional Leadership team is comprised of one K-1 teacher, one 2-3 teacher, two 4-6 teachers, two intervention teachers, and our resource teacher.

During the 2014-15 school year, our professional development focused on implementing the Thinking Maps program and developing common core curriculum by using the principles espoused in Understanding By Design (e.g. Backwards Design, Big Ideas, Essential Questions, Transfer of Learning). During the 2015-16 school year, we continued to emphasize effective implementation of the Common Core Standards using inquiry and investigative approaches. We implemented the Thinking Maps Writing program to help develop students as critical thinkers and effective communicators. During the 2016-17 school year, we continued to refine writing instruction with Thinking Maps, moving into the Expository genre, while also embedding integrated/designated ELD learning, and a focus on math. During the 2017-18 school year, we continue to refine writing instruction across all content areas, especially math. This year we are focusing on academic discourse to get all our students thinking and talking about their thinking, and to take that thinking into Thinking Maps and writing in our content areas.

Professional Development occurs weekly on Mondays for 60 minutes. During each professional development session, teachers receive "new learning." After ideas, strategies, and techniques are shared and modeled, teacher have "development time" to work with grade level colleagues on practical approaches for implementing the new learning. District-initiated professional development occurs during the school day, and teachers are provided substitutes. Most teachers will receive a minimum of three days of training during the school year.

New teachers receive support as part of the district's "Teacher Induction" program. Staff often seek feedback from our "intervention teacher/professional development coordinator, and the principal conducts "walk-through" visits and informal and formal observations. Teachers are also supported with goal-setting conferences at the outset and at the conclusion of each school year. Each teacher, in addition to embracing the school-wide goals, has the opportunity to set a personal goal and to focus on one of California Standards for the Teaching Profession

FY 2015-16 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$44,664	\$48,522
Mid-Range Teacher Salary	\$63,972	\$75,065
Highest Teacher Salary	\$86,745	\$94,688
Average Principal Salary (ES)	\$107,672	\$119,876

### Types of Services Funded

Lucia Mar offers a comprehensive range of programs and services to support student learning. A strong core curriculum is taught by highly qualified teachers. Student learning is monitored closely. Proficient and advanced students are challenged to master skills at the highest levels. Students not yet proficient are supported with additional time and instructional support. Academic support is provided during the school day and after school. Social and emotional support is provided to eliminate barriers to academic success.

#### Academic support services:

- Standards-based instructional materials
- New teacher support
- Staff development
- Intervention programs
- Intensive instructional services
- English language development
- Title I, Response to Intervention
- Students with disabilities
- After school programs

#### Social and emotional support services:

- Counseling support
- Intensive counseling services
- Mental Health early prevention
- Safe Schools
- Referrals to Community Agencies

Comprehensive academic and social support services enable Lucia Mar students to achieve at high levels in school and life.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
