Parent App

Parents can download the Parent App to access their child's courses, grades, and upcoming assignments. Parents can receive notifications of upcoming announcements for events or assignments on their mobile device.

- After downloading the app, parents will create an account with their personal email
- The next step is to add a student and then locate the Kingsport City Schools account in the dropdown menu: (kingsport.instructure.com)
- Enter student's login information
- Follow the screen shots above to learn more about the app
 - Add additional students
 - View courses and grades
 - View assignments
 - View Alerts and Set notifications
