Three little puffs
Were partial to muffins,
As partial as partial can be.

They wouldn't eat nuffin
But hot buttered muffin
For breakfast and dinner and tea.

Pantin' and puffin'
And chewin' and chuffin'
They just went on stuffin', dear me!

Till the three little puffs
Were chockful of muffins
And puffy as puffy can be,

All three
Were puffy as puffy can be.
