SCHOOL DISTRICT

The month of December is upon us and the district is preparing for its Strategic Plan renewal. We have met with New Jersey School Boards representatives to start the process. We are inviting Students, staff, parents, and community members to help create our shared vision to continue moving our district into the future.

Using the Strategic Planning process led by our New Jersey School Board representative Theresa Lewis we will be working together to develop the goals and objectives to move the district in meeting the challenges of the 21st century.

The district will hold three Planning meetings to formulate the Plan. Our first meeting will take place on Thursday February 22, 2018 in the Primary School all purpose room. Light refreshments will be provided. You will have the opportunity to provide input on future direction as well as current strengths and needs of the district as you see them. You will also be able to get some insight in what our districts currently offers our students.

The Board of Education and Administration of the Dennis Township School District are looking forward to your participation. Please come join us at our first meeting on Thursday February 22, 2018 at 5:30 p.m. in the Primary school all purpose room.

Thank You,

Mark B. Miller
Superintendent
Dennis Township School District
