Acceptable Use Policy for Computer Technology

Computer use and Internet access will be under strict supervision and guidelines. Students are expected to follow the rules for appropriate Internet use. This includes the following:

- General rules and ethics of Internet use.
- Prohibited or illegal activities, including, but not limited to:
 - Sending or displaying offensive messages or pictures
 - Obscene language
 - Harassing, insulting, defaming, or attacking others
 - Unauthorized access to prohibited areas/sites (files, folders)
 - Intentional misuse of resources
 - Using another's password
 - Buying or Selling on the internet

Any student found violating school/district policy may be disciplined. All students must have a signed computer/internet form on file before they will be allowed to use the computer/internet.

I have read the terms and conditions for computer technology use. I understand that my child's computer use at school is designed for educational purposes only. I understand that it is impossible to restrict access to all controversial materials on the Internet. I understand that computer usage is considered a privilege. I have discussed the rules and regulations of computer use with my child. I have explained to my child the possible consequences if all regulations are not followed.

_____ I give my permission for my child to use the classroom computer technology or computers in the school, including access to the Internet. **Parent Guardian** _____ **Date:** _____

_____ I do **NOT** give my child permission to use computer technology or access to the Internet at school. I understand that in denying permission, my child **WILL NOT** be able to use the education software incorporated at the classroom level. I also understand that my denial will not affect the use of teacher-led, previewed curriculum using the Internet in the classroom. **Parent Guardian** _____ **Date:** _____

Failure to return this form will be considered a positive response and your child will be authorized to use computer technology and be photographed/recognized via newspapers, social media, etc. by LaGrange-Moscow Elementary School and Fayette County Public Schools.

I have read and understand the terms and conditions of the school Computer/Technology AUP, and I will abide by all the rules and regulations. I understand that disciplinary action will be taken if I am found abusing any of these privileges.
