## Café Charges

No lunch/breakfast charges will be allowed in the café after Friday, May 4<sup>th</sup>. Students will be allowed to call home if they don't have money. Please pay all café IOU's. Students are not allowed to have "charge accounts" but since we will never let a child go without having breakfast/lunch at school, charges sometimes occur when parents don't send money for meals. It is easy to forget to send money sometimes. We just ask all parents to stay informed, check your child's account frequently and pay IOU's asap. Please contact the school if you ever have any questions about our food service program. Mrs. Gregg and her staff do an outstanding job!

## System Wide Attendance Winners

**Once again, EastView is the system wide attendance award winner for 2017-2018! Our attendance percentage for the year was 96.48%. This does not continue happening year after year without a lot of attention and hard work. Congratulations to all students, families and teachers for knowing and showing how important it is for students to maintain excellent attendance. All students will be treated to a TCBY Sundae party next Wednesday beginning at 12:30 at the school! A big THANK YOU to Mr. Scotty Long, owner of TCBY, for being such a great community partner and helping us celebrate great attendance all year long.**
