

LMUSD Parent University Fall 2017

LMUSD Parent University is a community collaborative led by Lucia Mar to help parents become full partners in their children's education. LMUSD will partner with community agencies and organizations to offer free workshops and family events to empower parents with the skills to support their children's health, safety, and academic success.

Flyers and additional information available at luciamarschools.org. If you'd like to register

for any of the highlighted classes, please [Register here](#)
