

Quaker Valley Middle School

Supply List: Grade 6

2018-2019 School Year

Welcome 6th graders! One of the most important things in 6th grade is being organized. The core classes (math, language arts, science, and social studies) each require a 1", three-ring binder with lined paper inside. Students will get a majority of their papers in these four classes, but they will also get some papers in the exploratory classes. Those teachers may have specific requirements or suggestions for how to stay organized in their class. Therefore, you may need to pick up a few more items after the school year begins. It is good to buy these basic supplies before the school year starts, but know that teachers may have additional requirements and suggestions for their specific class.

General Supply List:

- ✓ Pencils (do not bring all of them at the beginning of the school year; spread them out throughout the year)
- ✓ Four 1" three-ring binders (each one a different color to help with organization)
- ✓ 3-hole punched lined filler paper (for inside the binders)
- ✓ Binder dividers (to separate papers in the binders)
- ✓ TI-34 Scientific calculator
- ✓ 3-hole punched soft pencil case
- ✓ *Optional*: locker organization items (pencil cup, locker shelf)
- ✓ *Optional*: highlighters, Expo markers, colored pencils, glue sticks

The school will provide each student with a combination lock for the locker.
