

Membership/Booster Pass Form

Updated 7/28/17

Your membership and booster pass monies help support the 23 sports programs at Foothill. These dollars help fund the needs of running a stellar scholastic sports program. Foothill Athletics is 100% parent funded as no money comes from the school district for athletics.

Athletic Booster Passes allow admission for ONE adult and their children under high school age to all Foothill sporting events that charge admission – with the exception of NCS events. Pass does not admit High School Age Children.

****Scholarship applicants receive points for each year of membership****
