WHAT ARE CAREER PATHWAYS?

As you know, Valencia High School is rich in experience with preparing high school students for careers and college. Do you enjoy your elective class or have one in mind to try? If the answer is yes, chances are there's a career pathway for that! Pathways are a sequence of classes designed to help students take an in-depth exploration in a particular career cluster. It's like majoring in high school.

Go visit Mrs. Olinger, our Career & College Readiness Specialist, in the counseling department or email her

@ tolinger@hartdistrict.org for more information on pathways and classes.

Remember, it's never too early or too late to start a pathway journey!
